## Contribution presentation

For the special issue of *Notulae Botanicae Horti Agrobotanici Cluj-Napoca* (ISI Plant Sciences; <http://www.notulaebotanicae.ro>) will be selected about 40 papers for presentation, from which ten will be presented as oral contribution (10 minutes presentation and 5 minutes questions and answers). Because we intend to publish this special issue before conference, the selected papers as posters will be presented in fact only electronically, and will be projected approximately 3 minutes. In case of interest, each participant with this presentation can shortly present own contribution. Both selected contributions as oral or short communication (ppt, eg. 5-15 slides) will be published as full text in the ISI journal *Notulae Botanicae Horti Agrobotanici Cluj-Napoca*. Additionally contributions will be published in a special issue of *Notulae Scientia Biologicae*. More details regarding presentations will be provided later.
